### **The Road to FatBoyz**

We are just 3 guys who love to eat. After travelling through America and being exposed to the huge food culture. It became our mission to bring that experience to our home. We believe with FatBoyz Diner our vision would become a reality. Which is to provide quality food at reasonable prices served with a smile.

### **What Makes Us Different**

Every meal is cooked using only locally sourced ingredients. Traditional cooking methods and home-made recipes are our trademark for quality food. Our brioche buns are made fresh daily. To take it a step further we've created amazing sauces to fine tune our burgers and we pride ourselves on our reasonable prices for our locality.
